How tuition works

- Tuition is paid weekly online through Brightwheel, due on the first day of each week.
- You are paying to reserve your child's spot, so tuition is the same whether or not your child attends that week.
- Each year includes 2 vacation weeks billed at half the normal rate, with at least one week's written notice.

Rates are from the ELC's 2026–2027 tuition sheet. Please confirm current rates with the ELC office when you enroll.

A DAY AT THE ELC

What your child's day looks like

7:30 AM	**Doors open** Check your child in at the ELC entryway with the Brightwheel app.
By 7:50	**Everyone checked in** A health check as each child arrives, then settling into the classroom.
8:00 AM	**Learning begins** Themed lessons from our play-based curriculum (Beyond Learning), with Florida's early learning standards built into every week.
All day	**Play, prayer, and the outdoors** Learning centers, songs, movement, stories, prayer, and time in our outside play area.
12:00 PM	**Half-day pickup** Sign your child out at the front desk or in the app.
By 5:00 PM	**Full-day pickup** Check the app any time for photos and updates from the day.

How we guide behavior

The ELC uses **Conscious Discipline**. We don't use time-outs. When a child is upset, a teacher stays close in a "safe spot," helps them calm down with breathing, books, and games, and gives them the words to share how they feel. No child is ever shamed, threatened, or denied food or rest.

GETTING READY

What to bring, and what to skip

Clothes

Comfortable, easy-to-wash clothes, labeled with your child's first and last name. Keep 3 spare outfits at the center, plus extra clothes and a pack of underwear while potty training.

Shoes

Closed-toe shoes with socks; Velcro is best. No flip-flops, sandals, boots, or open-toe shoes, indoors or out.

Meals and snacks

Families pack all food and drinks, ready to serve and cut into bite-size pieces. Food can't be warmed or refrigerated, so use ice packs or thermal containers.

Toys

Please keep favorite toys at home so they don't get lost. Your child's teacher will announce "Show-N-Share" days when toys are welcome.

Foods we don't serve

To prevent choking, please don't pack: nuts, hard or baby carrots, whole grapes, hot dogs, nugget pretzels, chips, pre-cubed or string cheese, or popcorn.

Health and enrollment forms

- A physical and an immunization record are required to finish enrolling. (Religious exemptions aren't accepted.)
- Keep your child home when sick. A fever of 100.4°F or higher, vomiting, or diarrhea means a call to pick up.
- Medicine must be prescribed, in its original container, with a signed medication form.

FOR PARENTS

Staying close to your child's day

Photos and updates

Brightwheel shows check-ins, photos, meals, and notes in real time, and lets you message your child's teacher.

An open door

Parents of enrolled children can visit the center at any time, without notice. You're also welcome to volunteer.

Checked volunteers

Every classroom volunteer must have a cleared FBI background check on file.

Conferences

Teachers track each child's growth in the fall and spring and meet with you twice a year to set goals together.

From first steps to eighth grade

Each August, children move up to the next class. When your child is ready, they continue at Holy Name of Jesus Catholic School, right next door, from Pre-K3 and VPK through 8th grade. Each spring the ELC helps families get ready with registration details and a visit to the school.
